When The Moon Comes O-ver The Moun-tain — Ev-ry beam, brings a

dream, dear, of you — Once a-gain we stroll 'neath the moun-tain — Thru' that

rose cov-ered val-ley we knew (we knew) Each day is gray and

drear-y — But the night is bright and cheer-y — When The Moon Comes

O-ver The Moun-tain — I'm a-lone with my mem-ries of you —
